**Overall Procedural Schedule for RAR – Phase 2**

Pursuant to the discussion and agreements reached at the November 16, 2004 workshop, the preliminary Phase 2 schedule that was set forth in the November 4, 2004 ruling is revised in two respects. The date for comments on the workshop report is changed from March 23, 2005 to March 30, 2005, and the date for replies to those comments is changed from April 6, 2005 to April 8, 2005. The revised schedule is set forth below:

**Procedural Schedule – Phase 2 of Resource  
Adequacy Requirements**

<b>Event</b>	<b>Date</b>
Workshops	11/16/2004 – 2/11/2005
Workshop Report	3/11/2005
Comments	3/30/2005
Replies to Comments	4/08/2005
Draft Decision	5/31/2005
Final Decision	6/30/2005

**Service of Straw Proposals**

Attached to this ruling (Attachment A) is an updated list of participants in the Phase 2 workshops and their e-mail addresses and phone numbers.

Workshop participants should continue to use this list, as updated from time to time, for electronic service of straw proposals. Straw proposals are not to be filed with the Commission's Docket Office.

Workshop time is more efficiently used if participants receive straw proposals and related documents prior to the workshop date. Accordingly, when a specific date has not otherwise been set for distribution of a straw proposal, I ask that the author of each straw proposal distribute that proposal at least two days before the workshop at which it will be considered.

**IT IS SO RULED.**
